

# ATM-EXCITE

## Advancing Civil-Military Interoperability and Coordination through Excellence in Science and Technology

ID: 101167361

### Management & Coordination

**STEP 01**  
Data  
Collection &  
Management

**STEP 02**  
Risk Analysis

**STEP 03**  
Stakeholder  
Engagement

**STEP 04**  
Security &  
Cyber  
Measures

### Innovative Solutions for Enhanced Airspace Management

### Bringing Cutting-Edge Solutions to Life

- Enhanced Cybersecurity and Data Integrity:** reducing the risk of ADS-B spoofing and ensuring trustworthy air traffic data
- Confidential Data Sharing:** military information is protected while ensuring compliance with EU cybersecurity standards
- Civil-Military Airspace Coordination:** coordination between civil and military operators, ensuring enhanced safety
- EU Cybersecurity Standards:** Our solutions are fully aligned with SESAR and European aviation cybersecurity policies

Funded by the EU under SESAR 3 JU  
HORIZON-SESAR-2023-DES-ER2-WA1-9

Funded by the European Union
